Name: MARY HUGHAN	
Type of Governor: Parent Governor	Governor Since: 22/09/2023
Responsibilities:	Current Term: 22/09/2023 – 21/09/2028
<p><i>Mary currently has three children at New Scotland Hill, in Reception, Year 2 and Year 4. Her elder two children joined in Year 1 and Year 3, and the fact that their transition was so smooth was a significant reflection of the nurturing environment that the school engenders. Mary has been so impressed by not only the teaching, leadership and pastoral care, but also by the caring community at the core of the school, that she wanted to give something back by becoming a governor. She also felt that, having worked in schools for 22 years herself as a Modern Languages teacher, she had relevant experience to offer. Mary worked at Alleyn's School in London for 20 years and moved to Wellington College in September 2022. She has been a Houseparent for the last 10 years, supporting the pupils to overcome the challenges of a variety of pastoral and safeguarding issues, and hopes to be able to make a valuable contribution to the Governing Board in this specific area, as well as offering a parent's point of view of the discussion points that arise at meetings. She is keen to do all she can to help both the school and the pupils thrive for many years to come.</i></p>
